Leading  
provider of  
**Asset Integrity  
Management Services**  
across the region

# We have developed into a leading provider of Asset Integrity Management Services across the region

## Our story so far...

**Inspecta International** is a multinational company founded and registered by Mahmoud Al Shehry since 1991 in U.S.A. as a consultancy office in Roanoke, VA offering supervision and consultancy services for welding, repairs, NDT and QC services to a wide range of industrial projects.

In 1995, the company moved and established its main headquarters in Abu Dhabi (UAE) to serve Oil & Gas, Petrochemicals & Power Industries in the Gulf region as well as in the entire Middle-East and Northern Africa Region.

Today, **Inspecta International Group** became one of the top among all in the middle east countries for the provision of up-to-date Integrity & Inspection Technologies, and Quality Control to most of the major clients in the Middle East and the GCC through its operating offices in U.A.E, Egypt, Saudi Arabia, Bahrain, Qatar, Algeria and Uganda.

*Dear All,*

*On behalf of our staff, I would like to introduce you to Inspecta International Group and encourage you to review our Corporate Brochure, Company Website and our Social Media involvements to have a better sight of our activities and capabilities.*

*As a leading provider of Asset Integrity Management Services (AIMS), we pride ourselves as one-stop-shop, offering a full range of AIMS services including RBI, FFS, Advanced NDT, Quality Assurance, Plant Integrity Assessment, Rope Access, Marine & Subsea Inspection Services.*

*In this technological era, the Asset Integrity Management Services (AIMS), has become an integral part in ensuring the health and safety of all operating assets involved with Petroleum, Power Generation, Fertilizers, Ships, Railways and Aircraft Industries.*

*Adapting the principle "Prevention is better than Cure", AIMS encompassed a number of specialized monitoring techniques, which we were able to introduce into each part of the operating asset revealing the developed damages and anomalies, locates and quantify their extent before it turn to catastrophic failures causing drastic impact on the Environment, the Economy and on the Personnel.*

*Since our inception 25 years ago, we have invested heavily in both manpower and technology and as result, we are able to offer our clients an unrivaled service, which both professional, safe and cost effective.*

*Over the years, we have worked hard to create and implement effective management systems and are proud to hold ISO 9001, ISO/IEC 17020, IRATA & IMCA accreditations.*

*I would like to thank you for taking the time to learn more about our company and look forward to future collaborations.*
